# Green Book Guidelines

- \* All forms should be filled out in the 4Her's own handwriting.
- On activity forms, the sections "How I participated" and "Memorable things I learned" should have a minimum of three complete sentences. Otherwise, this activity will not count. We want details! Instead of "I showed my horse", list the classes you showed in.
- Activities not listed on the 4H Horse Club Activities sheet will not count.
- In order for the monthly meetings to count, you must attend 6 out of the 9 meetings. Attendance will be kept from meetings.
- If an activity is not offered during the year, (for example, showmanship clinic) then the points for the levels will be adjusted accordingly.
- If you complete a 4H record book (different from the green book) you MUST have a form signed by the Extension Agent. This form is available at the Extension Office.
- The adult who signs your activity sheet needs to be the person in charge of that activity. For example, if you participate in horse judging, then one of the horse judging coaches needs to sign your green book. The best way to do this is to fill out the book and have them signed as you go.
- Your green book is due at the first meeting in September.
