

## JOIN IN THE FUN!

The Clyde Austin 4-H Center is located in the beautiful hills of East Tennessee and features a panoramic view of the Smoky Mountains. Situated just outside of Greeneville, the center provides a private, outdoor setting with modern facilities.

The 4-H camp experience is an engaging program aimed at creating lifelong memories through exciting, constructive activities and fun-filled days. The center features an Olympic-sized pool with a 130-foot-long waterslide, a wildlife center, a large recreation hall, ball fields, a basketball court, and shooting and archery ranges. Other facilities include a nature center, a woodworking shop and an airbrush shop. Campers can also fish, canoe or enjoy a kayak ride on the lake. Additionally, there is leather crafting, fossil classes and a low ropes course. An outdoor theater, known as the Friendship Circle, is the backdrop for campfires and vespers, and a concessions area offers refreshing snack items.
