Re: The 2025 Chick Chain Poultry Project

Please share this letter and application with your parents. Both you and your parent will need to sign.

It is 4-H Poultry time in Blount County. And new this year, members will pay for their birds and do not have to return any for the sale. There will not be a sale. There will only be a show with champion and reserve champion lots selected. It is getting harder and harder to get buyers for the birds, so program participants may keep all their birds.

Participants may elect to buy 12 or 24 Black Sex Link, Red Sex Link, Rhode Island Reds, Barred Rock, or Orpington pullets or a combination of the stated breeds equaling 12 or 24 total for \$50 per 12 birds. Twenty-four birds is \$100. I do ask that you bring three (3) to the show in the Fall. After the show exhibitors will take their birds home unless there is someone wishing to buy them. Any sales will be the program participant's responsibility.

Please complete the application form and submit it with your payment either by mail or in person at the UT/TSU Extension Blount County office on or before Monday, December 16, 2024.

If you should have any questions, please call me at 865-982-6430 (ext. 3).

Sincerely,
