Re: The 2027 Chick Chain Poultry Project

Please share this letter and application with your parents. Both you and your parent will need to sign.

It is 4-H Poultry order time in Blount County. We are ordering only three breeds of birds this year and there will be a show and sale in the Fall of 2027.

Program participants may elect to receive 12 or 24 (Black Sex Link, Red Sex Link or Barred Rock pullets or a combination of the stated three breeds equaling 12 or 24 total (twelve birds for $50 or twenty-four for $100). You may pay in person at the 4-H office with **CASH** or **CREDIT CARD** or through the mail with a **CHECK**.

You must return 3 of 12 or 6 of 24 birds for the show and sale next Fall. Failure to do so will result in the loss of your deposit.

Please complete the application form and submit it with your deposit payment either by mail or in person at the UT/TSU Extension Blount County office on or before Monday, January 4, 2027. The 4-H office will be closed the week of December 28 through the first of January.

If you should have any questions, please call me at 865-982-6430 (ext. 3).

Sincerely,

James McMillion
Extension Agent Educator
